**To Whom It May Concern**

---

I am writing this in support of the application of **Mr. Kartik Kinge** for the internship program at your institute. I am glad to endorse the candidature of **Mr. Kartik Kinge** who is a B.Tech student in the Department of Electronics and Communication Engineering, Indian Institute of Information Technology Nagpur (IIITN). I had several chances to interact with him during his coursework. He is among top few students in my undergraduate class of Electronic Devices and Circuits. He scored good grades in the theory and has done an excellent job in practical sessions as well.

To the best of my understanding, he has good ability to grasp, understand, analyse and solve the problems well. He has very good skills in designing and handling of electronic circuits as well. Further, **Mr. Kartik Kinge** brings to all his energy, enthusiasm and commitment, a quality desired for any successful person. In this regard, **Mr. Kartik Kinge** fits well.

All in all, **Mr. Kartik Kinge** is a bright and highly motivated student and I would therefore strongly recommend him for the internship programme at your institute.

I wish him all the best for her future endeavors.
